SSPC Protective Coating Inspector

When: November 4th—9th

Where: Chiasso, Switzerland

FAQ:

What about re-take/re-test policy:

Any student who fails an exam will be given an opportunity to retake the exam. The fee to retake the written exam is \$100/member or \$200/non-member. The fee to retake the practical exam is \$200/member or \$300/non-member. Prior to retaking the exam(s) it is suggested that you study independently or arrange to be tutored in the course material. If this is your second time failing, you must wait for a period of six months before taking the exam(s) for a third time. Anyone who is unable to pass on the third attempt will be considered ineligible for this certification and must wait for a period of two years from the date of the most recent attempt before re-entering the program.

What about exam?

This course is completed with a comprehensive written examination and a practical (instrument use) examination. Students passing both components of the basic course exam at 70% or higher and meeting the prerequisites for certification can take the written and hands-on certification exams on day 6. A passing grade of 80% or higher on the written and hands-on certification exam is required to become an SSPC Certified Coating Inspector.

Will I receive the handbook in advance to study:

Yes, one pdf and other printed for the course.

SSPC certification is valid for ARAMCO QM 11 & 12?

Yes, SAEP 316, point 5.5 recalls: Third Party Training Company certification (NACE, SSPC or equivalent) or Saudi Aramco approved coating supplier for the type of coating to be applied.

Which is language of the course?

English only.

Why there is a difference in pricing from other locations?

They are hosted courses.

FAQ:

Will you issue a regular VAT invoice?

Yes

Do i need a special invitation to attend the course in Switzerland?

For EU citizen, is not needed

Which are pre-requisites for level 2?

Process A-1, Take PCI level 1 with formal training:

2 years or 3000 hours of coating inspection experience + PCI course + 40 hours of approved coating training:

Process A-2, take PCI level 1 without formal training:

3 years or 4500 hours of coating inspection experience

Process B-1, by-pass PCI level 1 with formal training:

2 years or 3000 hours of coating inspection experience + 80 hours of formal training of which 40 hours must be formal coatings inspection training

Process B-2, by-pass PCI level 1 without formal training:

4 years or 6000 hours of coating inspection experience

How can i reach the location?

By car or by train from milan central station. In case you travel by car, please consider that to drive in Switzerland's highways you will need a "vignette" adhesive to stick on your windshield. The cost is 40€. If you drive from italy, vignette is not needed since no highway is driven.
